3. Terminal 2 / 3: Construction Updates

- Construction continues on the Delta Sky Way Program to renovate Terminals 2 and 3
- Terminal 3 remains closed to the public after being demolished last year to build the new terminal from the ground up; operations are maintained via Terminal 2
- Departures and Arrivals Level pick-up / drop-off lanes remain restricted as temporary pedestrian walkways are in place to detour guests around construction
- Upon completion of the project, a new secure connector building will provide access between Terminals 2 and 3, as well as access to and from the Automated People Mover

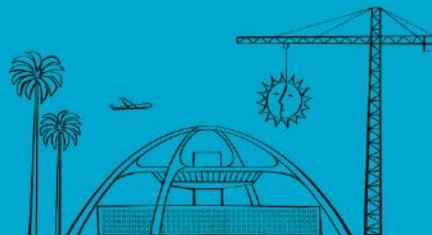

*Terminal 2 / 3 Renovation
Progress as of May 2021*

Change is in the Air(port).

LAX WAY BETTER. REALLY.
