TERMINAL 4: DEPARTURES SIDEWALK EXTENSION

The Departures Level sidewalk extension at Terminal 4, built atop the innermost drop-off lane to facilitate construction of the new American Airlines Headhouse, is scheduled to be removed this week. Pedestrians will be routed to the original, existing sidewalk while the temporary extension is removed, followed by the restoration and re-opening of the drop-off lane.

When crews complete removal of the Departures sidewalk extension, they will move to the Arrivals Level to remove the extension there. Watch Construction Hot Topics for updates!

AIRLINE GATE 42A CLOSURE

To facilitate Phase 2 of American Airlines' Terminal 4 Headhouse construction, a Tower Crane will be built on the airfield, impacting some aircraft operations. This will require a closure of Airline Gate 42A beginning Sunday, December 8 through Thursday, December 12. The interior holdroom will remain open and accessible for passengers.

LAX HOLIDAY CONSTRUCTION MORATORIUMS

Due to the anticipated increase in holiday season travel and traffic, LAWA will implement a construction moratorium from December 13 through January 2. This moratorium will be in place to help minimize passenger inconveniences and operational disruptions during heightened travel periods. Use caution when traveling near construction areas and plan ahead for potential delays.
